

RECOVERY ROOM NURSE SCHOLARSHIP FUND (RRN Scholarship Fund)

\$15,000 Annually*

Surgicorps seeks to provide scholarship support to help eliminate financial barriers and expand the recruitment potential for Recovery Room Nurse for its annual trips to Bhutan, Guatemala, Zambia and Vietnam. The Recovery Room Nurse represents specialized and essential staffing for the safety and quality of every Surgicorps mission. On more than one occasion, the self-funding requirement coupled with the forfeiture of paid work time was cited as the barrier to participation.

**No minimum donation required. Donations will support the purposes of the RRN Scholarship Fund but may not be restricted to a specific trip. Scholarship support will be offered as needed. Unspent monies will be retained in the RRN Fund for future use. Candidates must apply and make a minimum personal donation of \$500.*
